

# Corporate Presentation

# About us

Hosmed Inc. has defined comprehensive care in the provision of medical equipment, medical devices, laboratory equipment and pharmaceutical products. We are an American manufacturing company based in Doral, FL since 2009 with a Middle East branch located in Dubai, U.A.E.

Hosmed Inc. is a leading manufacturer of high-quality medical equipment with different modalities such as: Anesthesia and Respiratory, Life Care Solutions, Diagnostic Cardiology, Maternal Infant Care, Ultrasound, X-Ray, IV Therapy, Operating Room, Specialized Medical Devices, Hospital Furniture and other related products for hospitals, clinics and primary care.

Hosmed Inc. has a team of staff dedicated to providing biomedical training and technical support to our distributors around the world to assist them in the installation, commissioning and maintenance of our medical equipment.

Our products are widely exported to Latin America, the Middle East, Africa, Southeast Asia.
